Open House

3/1/25 - Tomorrow is the Broncobots Open House! Come see the 2025 robot and get a tour of our team's shop! The Broncobots will kick off the LSR7 Alliance Open House day from 1:00 to 3:00 PM, and our sister teams, Team Driven and Team Titanium will host events from 2:00-4:00 and 3:00-5:00 respectively. Snacks and drinks will be provided and this event is open to all. We can't wait to see you there!

This Week @ The Shop

This week Team 1987 worked on putting the finishing touches on our 2025 robot before the open house. The Impact team met to discuss their presentation and media team got to work designing materials for competition. With the Central Missouri Regional just days away, it's crunch time!
